What is your question?

In order to answer your question quickly, please provide a short description.

Advisor Name: Sue Butler

Office Hours: Mon-Thurs: 8:30am - 4:00pm, Fri: 8:30am - 12:00pm

Student Name

Jane Smith

Student Number

V00123456

Questions and comments...

Hello Ms. Sue,
I am a second year student who is interested in a combined Computer Science and Business Major. I would like to see you regarding the courses I have taken to make sure that I am on the right track.

Thank You,
Jane

Hello Jane, I got your question. How can I help you?

I would like to see you regarding the courses I have taken to make sure that I am on the right track.

Okay, I have an opening on Monday at 1:30pm. Does that work for you?

Yes, I have class until 1:20pm so I will come by right after. Thank you!

Check Registration Status

Please note that some students are not permitted to register online. See www.registrar.uvic.ca for Undergraduate and Graduate Registration Information for the list of students who are excluded from registering through UVic My Page. Graduate Students may check their registration status by contacting Graduate Admissions and Records at 250-472-4657 or garo@uvic.ca. Undergraduate Students (including Law) may check their registration status by contacting the Office of the Registrar at 250-721-8121 or records@uvic.ca.

Note: If an exclamation point appears on any of the lines below, you will be unable to register. You may register during the following times

From	Begin Time	To	End Time
Mar 21, 2016	02:15 pm	Aug 31, 2016	07:00 pm

- ✓ You have no Holds which prevent registration.
- ✓ Your Academic Standing permits registration.
- ✓ Your Student Status permits registration.

For Undergraduate and Law Students Only:
Your YEAR for registration purposes is Year 4.

AGEI 473 Chronic Disease And Ageing ?

View Sections

About the course:

Chronic diseases are very prevalent among the elderly, and their management has a major influence on the health, functionality and quality of life of older people. The growing body of evidence and experience in the delivery of high quality, safe, effective care will be examined and the design of systems that encourage and support high quality care will be explored. The role of chronic disease self-management and social support networks will be an important focus.

Prerequisites:? No

Open to other faculty students? No

Under what program? BA in Health and Community Services
